

Frailty SDEC CRITERIA

INCLUSION CRITERIA

1. Identified as likely same day discharge*
2. Rockwood Score 4 – 9
3. Accepted by Frailty Team to SDEC

***Please note:**

If the patient is unable to return home due to concerns regarding social circumstance this is not an exclusion criteria - please discuss with fSDEC referral taker.

EXCLUSION CRITERIA

1. Identified as requiring admission
2. EWS > 4
3. New O2 requirement
4. Fall and hip / pelvic pain where a #NOF has not yet been radiologically excluded
5. Possible C19 infection / D&V
6. Fractures without a clearly documented plan
7. Head injuries with a GCS <14 or focal neurology
8. Presentation as a result of post-operative complications (SAU)

LOCATION

Ward 3 – Level 1, Huddersfield Royal Infirmary

Opening Time: 8AM

Monday to Friday – Last arrival 4PM (6PM if deemed MOFD in ED)

Saturday & Sunday – All patients to be deemed MOFD in ED, last arrival 6PM

Please note: We have a limited number of trolley spaces and rooms with O2 available. As such patients who require isolation (e.g.: previous MRSA), to remain on a trolley (e.g.: those requiring a hoist to transfer or who are nursed in bed) or who are on long term O2 will be accepted at the discretion of the nurse in charge after consideration of capacity.
