

### Directions to CHS Pharmacy

Follow the **blue arrow** signs for the **Main Hospital** down the corridor out of A&E. There is a door release button on the left wall just before the double doors.

Go through the double doors, down the corridor and through another set of double doors which brings you to the **Block 1 Lifts and Stairs**.

Take the lift or stairs up to the **Ground Floor**. **Turn left** and follow the corridor turning **left again at the end**. Follow the corridor towards the **Main Entrance**. CHS Pharmacy is on the left.
