Advise

- **Do Not Drive** – DVLA rules
- Bring a list or boxes of regular medications
- Please bring pacemaker information (if applicable)
- Could be with us for 3-4 hrs depending on scans
- Please note scans may not be done on the same day and it is the decision of the stroke consultant, if you require further tests
- Unless you have allergies or contraindications, you will be started on a blood thinning medication (Aspirin or Clopidogrel) until your appointment
- Any further symptoms please attend A&E at Calderdale NOT Huddersfield
- Patients with memory impairment, from a care home or do not recall the event, must come with someone. This person should either have been with the patient at the time or have accurate information of the event.

As you cannot drive you need to make your own way to the appointment via public transport, taxi or family/friends.

Transport – Telephone Number - 0330 678 4000

The stroke team do not organise transport for patients. If you require transport, you or a family member/friend need to book transport.
